## Delightful Dances

The opening dances Friday and Saturday evenings proved as expected to be most enjoyable social affairs. The dining hall was delightfully decorated with streamers of orange and black, and fraternity pennants and banners artistically placed around the wall.

Friday night the football men were required to leave 10:15 on account of the game next day. Saturday, however, after a victory that evening, the team with guests and many alumni who arrived Saturday morning thronged the floor with one of the largest crowds ever seen here at a dance. Gippy Smith's orchestra furnished music for both nights and he was never better than he was Saturday night.

The chaperones included: Mrs. J. A. C. Chandler, Dr. Caroline Tupper, Mrs. Clark, Mrs. A. Brooks, Mrs. W. D. Henley, Mrs. G. A. Dovell, Mrs. L. W. Lane, Mrs. Geiger

Those dancing were: Dick Henley with Miss Cook, Mr. Pierce with Miss Luck, Hoskins with Miss Ailsworth, Parrish with Miss Murphy, Brooks with Miss Hardaway, Connors with Miss Cheatham, Christian with Miss Tuthill, Chisholm with Miss Fawcus, Fentress with Miss Brooks, Garrett with Miss Van Saer, Harper with Miss Reeves, Bill Henley with Miss Chandler, Sibley with Miss Batten, H. C. Smith with Miss Burke, Simmons with Miss Benschooten, Davies with Miss Waters, "Judge" Tyler with Miss E. Frye, "Piggie" Pierce with Miss Tatem, Hillard with Miss McWhorter, Neblett with Miss Williams, Carneal with Miss Brown, Bland with Miss Warren, Bridgeforth with Miss Tolson, Pullen with Miss Virginia Fry, Jennings with Miss E. Simonson, Ed. Spencer with Miss Bozarth, Bill Johnson with Miss Wainwright, Johnston with Miss Stroud, Tom Tilley with Miss Macon, Billy Gooch with Miss Tyler, Tone Geddy with Miss Stout, Williams with Miss Shipman, "Verus" Geddy with Miss Cole, "Ted" Walton with Miss Moss, Mr. and Mrs. J. D. Lane, "Turus" Henley, Dean Murry, Stuart, Geo. Lane, Bob Johnson, Carter Roberson, Massey, Purcell, Fry, Rhea Smith, Billy Wilson and John Presson.

## EVER HEAR THESE AROUND HERE?

"What's wrong?"  
"That's a purty one."  
"I hope to freeze."  
"Poorly, thank you."  
"Comment allez."

I am young for my years. That is because I love and am loved. They who love much and are much beloved remain young. The reason is plain. Love creates in human chemistry happiness. Happiness is the greatest of tonics. It is the true elixir of youth.—Sarah Bernhardt.

## Indians Down Spiders in Snappy Game

### Take Over Ball in Last Quarter After 48-Yard Run By Brooks.

Once every year since 1911 a football eleven from William and Mary College has been attempting to defeat Richmond College on Cary Field, but it remained for Coach Jimmy Driver and his 1919 band of Indians to accomplish that task. Saturday afternoon, before the largest crowd that ever witnessed an athletic classic on Cary Field, the Indians took the sting from the Spider to the tune of a 7 to 0 count.

The Westhampton institution was represented by about 250 students, and many alumni. The special train left the capital and reached here gaily festooned with the Spider colors of Red and Blue, but on the return trip the colors had faded to the black of the mourners pall, and the procession was as still as death.

The first half was a punting duel, with honors slightly in favor of Close. The Indians' line, particularly the tackles, continually smeared Frank Dobson's pet plays, leaving only the wide end runs for Richmond to advance the ball. On several occasions, Jones, Richmond's stellar quarter, skirted the ends for good gains. The ball, however, was in Spider territory throughout the half, due to the kicking of Close, the Indians recovery of fumbles, and penalties to the Westhamptonites. The third quarter saw the pigskin sawing back and forth again, with advantages going to the Orange and Black. In the fourth quarter, after several punts, penalties and fumbles, Broadus was forced to punt from his 10 yard line. Brooks caught the ball, and aided by perfect interference, ran the ball to the 14 yard line. On the next play the Spiders were penalized five yards for being off-side. Fentress carried the ball to the one-yard line, and on the last down took it over. Brooks kicked goal. The contest ended with the ball on the Richmond 38-yard line in possession of the Indians.

The whole Indian eleven starred, but the particular satellites were Brooks, Wallace and Fentress. For the Red and Blue Jones, Lane and Carter played the best ball.

### Game in Detail.

First quarter—Richmond won the toos and elected to receive at the west goal. On the kick-off the Spiders ran the ball back to the 45-yard line, and after gaining only 3 yards in three attempts, fumbled. William and Mary recovered the ball. The Indians made 6 yards through the line, and Close tried a drop kick, but failed. Line plunges failed to get past the Orange and Black forwards, and Richmond punted. The Indians were held and punted. On a fake play Jones got away for 30 yards, Brooks getting the tackle. Two line plunges gave the Spiders another first down, but on the next play they

fumbled, and Goslee fell on the pigskin. Close circles left end for 12 yards, but the Indians could advance no farther. Close punted to Jones, and Wallace made a beautiful tackle. Richmond was forced to punt, and Brooks returned the ball 15 yards. W. and M. was forced to kick, and the Richmond forwards broke through and blocked the kick and fell on the ball. The Spiders made 8 yards on the first play, but line plunges were thrown for losses and a forward pass failed. William and Mary was held and punted. The Red and Blue made one first down, but could get no farther and Broadus punted to Brooks, who was downed in his tracks in the middle of the field. The Richmond line held again, and again Close punted. Jones skirted end for 10 yards, the Indians were penalized 5 yards, and Jones ran 15 yards again, but the Indian line held, and Richmond punted. William and Mary made 7 yards, and Close punted. The kick was a poor one, going outside in the middle of the field. The Spiders had worked a trick play which netted them 10 yards, when the whistle blew with the ball in the hands of the Spiders on the Indians' 40-yard line.

### Second Half.

Third Quarter—Richmond kicked off to the Indians and Fentress returned the ball 15 yards. Richmond College held and Close punted, the ball getting past Jones, and going for 65 yards. Richmond's line plunges were ineffectual, and they punted, Brooks being downed in his tracks. White failed to gain, but Fentress made 12 yards. A forward pass netted the Indians another first down, and Wallace was thrown for a loss, but on the next play he made 12 yards on a forward pass. Close attempted a drop kick, which was blocked, but Brooks recovered the ball. A forward pass and three line plunges failed, the ball going to the Spiders. Richmond was held and punted outside. W. and M. punted, the ball going to the Spider 30-yard line. Richmond made first down, but a forward pass failed and the Spiders punted. Davies went in for White.

Fourth Quarter—Close punted to the Spiders' 25-yard line. Copeland broke up two fake plays by diving over the Richmond line. Broadus punted to the Indians' 50-yard line. Two passes failed, and Close's punt was blocked, but Brooks fell on the ball. Close punted again, and Hall downed Jones before the quarterback could move. Davies threw Jones for a loss. Richmond was penalized, and forced to punt. Brooks caught the ball, and carried it to the Spiders' 14-yard line. Fentress made 2 yards and Cooke was sent in for Davies. Goslee failed to gain, and Richmond was penalized again. Goslee made a yard, and Fentress made 5 yards.

## Around Tyler

How could we have been more excited? How could we have been prouder than we were last Saturday, after our glorious victory over our worst athletic enemy, Richmond College? What pride we took in entertaining the young ladies who came down to see their gallant defenders fall, scalped by the mighty Indians!

Immediately after the game we had as our guests in Tyler the girls from Westhampton who were in Williamsburg to help support their team. Amid the chatter and confusion we each found time to learn the whats, whys and whens of the other college. We couldn't have felt more delighted at that particular moment that we belonged to and were a part of old William and Mary. We are looking forward to the pleasure of having them with us again.

What thrills we feel when we think of the games to come! May we suffer the same kind of pleasant suspense as that we underwent at the last game.

### DR. CHANDLER'S ILLNESS.

It was with much regret that the student body learned of Dr. Chandler's illness Saturday. This feeling was evidenced in chapel Monday morning in the action of the students by arranging for a beautiful bunch of roses to be sent to his room. It is with pleasure now that we can report Dr. Chandler's condition much improved and hope for his complete recovery in a few days.

### W. AND M. POST No. 90, ELECT OFFICERS.

William and Mary Post No. 90, of the American Legion, was officially organized in the chapel Tuesday night, with 35 ex-soldiers, sailors and marines present. This was the fourth of the meetings held for the complete organization of the local Post.

The charter of the local Post was adopted, and officers elected as follows:

Chairman, Raymond Sisson.  
Vice-Chairman, A. D. Joyner.  
Secretary, J. R. Chappel.  
Treasurer, M. F. Starnes.  
Sergeant-at-Arms, S. E. Gunn.  
Historian, Dr. R. S. Morton.  
Chaplain, F. A. Sapp.  
War Risk Officer, Prof. Summerfield McCarteney.

From now on the William and Mary Post will no doubt be one of the strongest organizations of the campus standing as it does for 100 per cent Americanism.

Brooks failed to gain, but on the final try Fentress carried the ball over right guard. Brooks easily kicked goal.

The Indians kicked on, and Wallace smeared a fake play. The next play was also broken up by the husky tackle, he recovering a fumbled pass, but the whistle blew with the ball in the Indians' possession.

### CAN YOU IMAGINE:

Willis telling a new joke?  
Turner Henley with a cigarette?  
Barnes having black hair?  
"Clam Jitney" being in love.  
Purcell not having a new girl every day.  
Chisholm walking fast.

### WOULDN'T IT BE NICE IF:

We could sleep late the mornings we had lectures.  
We had breakfast served in bed?  
We had a secretary to do all our writing and studying?  
If we received only A's every month?

### The Difficulty.

"He must be stone-blind."—Baltimore American.

### Put in it's Class.

Farther went home with his latest purchase the other evening. It was a shirt, tastefully adorned with wide orange and purple stripes.

Proudly he displayed it to his stunned wife, who could only gasp.

"Look at daddy's pretty!" he said proudly to his little daughter.

The youngster gazed wide-eyed at the screaming combination, then, rubbed her hand over the shirt-front, inquired:

"What kind of a flag is that, daddy?"

"Since you saw my friend he has joined the great silent majority."

"Ah, is he dead?"

"No; married."—Baltimore American.

Soph (at Saturday game)—This is the third quarter.

Co-ed (sweetly)—How many quarters do they have?

Hamil (Botany observation trip) Prof, do you know what kind of a tree that is? (Hamil pointing to telephone post).

Prof. Grimes: No, I can't say I do.

Hamil: Current.

### Waiting at the Fire.

"Never mind, central, I wanted the fire department, but the house has burned down now."—Life.

## CHASING THE PIGSKIN.

Some Richmond papers have a habit of publishing that "the dope was upset" every time the Indians win a game. In regard to the game Saturday we don't know of anybody down here who predicted anything but a scalp for the Indians.

There are some defects in the Indian line but in Copeland at center, and Wallace, and Close, at tackles, Coach Driver has about as good men in their respective positions as can be found on any team in the State.

Probably the largest attendance that ever thronged the stand and side lines of Cary Field witnessed the game here Saturday. Alumni from all over the State journeyed here to see the Indians romp home with the bacon in this annual classic for the first time in eight years.

The most noticeable defect in the Indian machine is their interference. It simply isn't there, Coach, and we suppose it was just as evident to you.

Randolph Macon was forced to bow to the Tigers Saturday in Richmond, although they were the recipients of the majority of the "breaks" of the game. Fleet footed Don Warren was an essential factor in the Tiger's victory.

Forward passes are figuring largely in the offensive power of the larger schools, however in the game here Saturday only once was the aerial attack successful, that coming in the second quarter when Brooks tossed one into the waiting arms of Wallace.

Keep that old fight up, Indians! We've predicted a banner year in general for the old school and we're not expecting you to "upset the dope."

Thelma: Pre-matrimonial.

## Tender-Hearted.

"That girl of mine is the most tender hearted in the world," said old Mrs. Smuggles.

"She doesn't look it!" thought her hearer, but, aloud, said politely:

"What makes you say that, Mrs. Smuggles?"

"Well, you know," said Mrs. Smuggles, "she stays in her room every Monday—can't bear to see her old mother doing the family wash."—Pittsburgh Chronicle-Telegraph.
